ARISTOTLE: SELECTIONS BY ARISTOTLE PDF

Selections seeks to provide an accurate and readable translation that will allow the reader to follow Aristotle's use of crucial technical terms and to grasp the details of his argument. Unlike anthologies that combine translations by many hands, this volume includes a fully integrated set of translations by a two-person team. The glossary--the most detailed in any edition--explains Aristotle's vocabulary and indicates the correspondences between Greek and English words. Brief notes supply alternative translations and elucidate difficult passages.

Five Stars

By Kevin McNulty

Great selections. Manageable sized text. Clear and informative footnotes.

1 of 2 people found the following review helpful.

really good selections and translations

By V. Tirumalai

really good selections and translations! I will not bother with the Physics, but the Ethics, Politics selections are fascinating reading.

2 of 7 people found the following review helpful.

Great

By Daniel R. Weed

Excellent. This is a very good purchase for those interested in a good translation of Aristotle (certainly not complete, though).
