So, the way for you to get this [This Godforsaken Place: A Novel By Cinda Gault](#) will be so easy, won't you?

THIS GODFORSAKEN PLACE: A NOVEL BY CINDA GAULT

PDF

The year is 1885 and Abigail Peacock is resisting what seems to be an inevitable future—a sensible career as a teacher and marriage to the earnestly attentive local storeowner.

But then she buys a rifle, and everything changes.

This Godforsaken Place is the absorbing tale of one tenacious woman's journey set against dramatic myths of the Canadian wilderness and the American Wild West. Abigail's adventure introduces her to some of the most infamous characters of her time—including Annie Oakley and Gabriel Dumont—and brings the high stakes of the New World into startling focus.

Five stars

By Gannon Beaulne

This Godforsaken Place is an engaging story about independence -- of thought and of action. Our heroine, Abigail, is trapped in Northern Ontario. As the walls begin closing in, her father's death and the appearance of a wounded cowboy present an opportunity to break free. And she takes it. You come to this book for the historical drama. But you keep coming back for the rich, fully realized heroes. You'll love the horse too.

I love an adventure story

By Andrea

I love an adventure story. I especially love an adventure story starring interesting, well-developed characters. This book delivers that. I was drawn into the story by the power of the Abigail's personality. I learned a good

bit of Canadian history along the way. Thoroughly enjoyable read.

A Good Read

By Amazon Customer

I enjoyed reading this book. It gave a combination of historical information and literary fiction and created a gripping story that kept me wanting to turn the next page. The main character is a strong and likeable woman in a time when it was "a man's world" and her character develops as the story progresses so we can see her courage and determination. Interesting historical characters like Annie Oakley liven the story up and give an element of truth. The story also depicts some interesting aspects of Canadian history in the 1800's. A good read.
