From The Mouth Of Babes

By Steve Taylor

After reading this book to my six year old I asked him how many stars I should give it and he said 100. (And he knows Amazon's rating only goes up to five.) For me I'd give it a three. The book takes about ten minutes to read aloud, half the limericks are good and the pictures are well done. My son loves cats but we can not have one due to allergies so books and movies such as The Adventures of Milo and Otis are about it for us.

Lovely Limericks! Gorgeous illustrations!

By Lisa Kingsbeer

Lovely wee book with short and funny limericks about cats. Beautiful illustrations to go with each. A nice introduction to poetry for children. My only criticism would be it is maybe a little too short, I wanted more! Look forward to future titles from the author.
