GREEN DAY: REBELS WITH A CAUSE BY GILLIAN G. GAAR PDF

Rebels With A Cause is an in-depth account of Green Day's 20-year journey from their scrappy high school band days to international stardom.

It's a punk-roots journey told through incisive interviews and first-hand accounts that expose as much about the music scene as the band members themselves!

From their 1994 major label debut album Dookie to the award-winning American Idiot, Green Day have now successfully taken the spirit of punk into the world of stadium-rock.

Written by Gillian G. Gaar, this intimate and perceptive band biography tells exactly how they did it and reveals what success has meant to these feted Californian champions of alternative rock.

The best Green Day biography yet.

By K. A. Harris

It's a great read, lots of less well known information, from good sources, and is well written. Great photos. It will be a valuable insight into the early days of a great band.

Green Day

By Rachael Heide

Anything about the band Green Day and their rise to the band they are today is great! I love it!

not for some

By Emory Williams

i bought this book thinking it would ne fairly revelant to what is going on with punk bamds nowadays, which it is not. I still love it, green day is one of my favourite bands. Very informative and fun
