Most importantly, find out about yourself...

Who am I, really?

What is my highest purpose

What happens when I die?

Can there ever be peace in the world?

This is the most amazing book I have ever read!

By Dale Miesen

I met the author in 1996 and heard her first presentations on the topics that became the chapters of the book, published in Dec 1998. I have read it many times and each time I understand it in more depth. The information He gave her is beyond any spiritual, scientific or practical guide to life ever composed! Read it again!
