BROKEN PRINCE: A NOVEL (THE ROYALS BOOK 2) BY ERIN WATT PDF

"This generation's Cruel Intentions." Jennifer L. Armentrout, #1 New York Times Bestselling Author

These Royals will ruin you...

From wharf fights and school brawls to crumbling lives inside glittery mansions, one guy tries to save himself.

Reed Royal has it all--looks, status, money. The girls at his elite prep school line up to date him, the guys want to be him, but Reed never gave a damn about anyone but his family until Ella Harper walked into his life.

What started off as burning resentment and the need to make his father's new ward suffer turned into something else entirely--keep Ella close. Keep Ella safe. But when one foolish mistake drives her out of Reed's arms and brings chaos to the Royal household, Reed's entire world begins to fall apart around him.

Ella doesn't want him anymore. She says they'll only destroy each other.

She might be right.

Secrets. Betrayal. Enemies. It's like nothing Reed has ever dealt with before, and if he's going to win back his princess, he'll need to prove himself Royally worthy.

Warning: This book ends in a cliffhanger.

Praise for Paper Princess, a #1 NYTimes bestselling novel:

"Intense, haunting & hot--I can't stop thinking about Paper Princess!! The intriguing sexy characters draw you in and don't let go. A true must read!"--Emma Chase, New York Times bestselling author of the Tangled and Legal Briefs series

"Wickedly clever writing, deliciously provocative characters, & chilling final pages made Paper Princess impossible to put down! Confidently a 2016 Top Read!"--ROCKSTARS OF ROMANCE

"Gritty, angsty, steamy, and rife with scandal and secrecy, Paper Princess is the kind of book you hope EVERY book will be when you open it. The kind you can't put down, can't forget about. This book consumed me and thanks to that crazy ending, I won't be moving on from this book for a good long while."

5 of 5 people found the following review helpful.

3.5/5

By T. Geo

I didn't enjoy the storyline of Broken Prince as much as I did Paper Princess. I was hoping Ella would date other people, maybe even Easten because I like them together better than Ella and Reed. The ending was just crazy, as if Reed never learned his lesson from book one. The kiss with Wade was perfect. I needed more of that. I didn't feel there was much of a story, more of a filler between book one and three but I finished it in a day.

Disappointing

By Shadowswept

I got completely sucked into Paper Princess and stayed up late into the night to finish it in one sitting, because I couldn't put it down. So I was extremely excited for the sequel. That excitement faded after I started reading it, and I actually set it aside to read another book. I've continued to read Broken Prince in short increments since then, because it's not as compelling as the first book.

I loved the angst and the sexual tension in the first book, and there is none of that in Broken Prince. The problem here is that we get Reed's POV, and that takes away all the uncertainty and intrigue about his intentions. I couldn't connect with Ella's doubt in this one, because I already knew the truth straight from

Reed's thoughts. He was also more interesting when he was ambiguous. Knowing all his thoughts ruined that. It also took away all the tension and anticipation. It made the story too predictable.

I enjoyed Ella's showdowns in the first book, but they were ridiculous and overdone in this one. All the drama here quickly became tiresome. It dragged on and on, and there was no fun. The first book had fun scenes to enjoy, but I can't remember any in this book. Even Easton was depressed during the entire book. I love angst, but this tipped over into melodrama. The only unexpected thing that happened was Gideon's secret. That piqued my interest, but it was only a brief part of the plot.

The worst part of this book was the ending. The cliffhanger in the first one promised all kinds of antagonism and fireworks that this book didn't deliver. The cliffhanger in this one was just plain stupid. It made Reed look stupid, because there was no reason for him to go anywhere near the mess his dad was already taking care of. It made no sense in the plot, and it is completely contrived just to add enough drama to drag things out for another book.

I'm really disappointed, because I expected to love this book as much as the first one. Sadly, all the magic is gone.

Paper Princess was so good..

By Amazon Customer

Paper Princess was so good... anxiously awaited the sequel and was so disappointed. Broken Prince is.... boring...I don't know how else to say it. The plot is very weak. So disappointed.
