## **About the Author**

The ministries of T. L. and Daisy Osborn have made an unprecedented impact on the world in our time. They are valued among the great soulwinners of this century. Married at ages 17 and 18, the Osborns were missionaries in India at 20 and 21. In 1949 they instituted the OSFO International Gospel Center-a world evangelism and missionary church organization. Their life commitment: To express and to propagate the gospel of Jesus Christ to people throughout the world. Their guiding principle: The top priority of the church is the evangelization of the world. The Osborns have conducted mass crusades in over 70 nations, preaching to audiences ranging from 20,000 to 250,000 nightly and more. They have sponsored over 25,000 national preachers as full-time missionaries, reaching their own unreached tribes and villages. They have published gospel literature in 132 languages and dialects. They have produced documentary films and crusade tapes for public evangelism in nearly 80 major languages. They have provided airlifts and huge shipments of soulwinning tools for gospel missions and workers worldwide. They have furnished vehicles with films, projectors, screens, generators, P.A. systems, audio cassettes and cassette players, and great quantities of literature for evangelism abroad. They are energetic and prolific writers. T.L. Osborn's living classic, *Healing The Sick*-now in its 38th edition-has been a faith-building best-seller since 1951. Their big 52 page Classic Documentary--*The Gospel According to T.L. & Daisy*, is unmatched among Christian Publications. The Osborns have probably reached and led more unreached souls to Jesus Christ in non-Christian lands, and may have witnessed more great healing miracles, than any other couple who has ever yet lived. Their team efforts in world evangelism are truly pace-setting as they proclaim the good news to the world: that Jesus Christ is the same yesterday, and today, and forever. (Hebrews 13:8).

This book is absolutly the best i ever read!

By Holywood

This book is the best book I have EVER READ in my entire life. My review can not give this book enough Justice. This book is even better than The Divine Healing Technician Manual by Curry R. Blake. Smith Wigglesworth and John G. Lake although amazing people of God, "I doubt that I couldn't do greater things". Now there are other books by ughhh Preying Medic but their all even combined don't even come close to this book! I got this book yesterday for my birthday and I just stated, "any sick amoung you that need healing, come forward". And three backsliders recommitted their lives to my personal Lord & Savior Jesus Christ of Nazareth!
