A timeless storybook

By B. Patrick

I was excited to find this Little Golden Book while expecting my first child. It made the perfect gift for my parents who would soon be grandparents for the first time, as it was a favorite bedtime story of mine. This beautiful story is great for adults and children as it provides a great lesson in selfless service to others.

This is a fantastic Book, every kid should read it.

By A Customer

This book has great pictures and tells a great story. It gives every child hope that if something bad were to happen there will always be someone there to help fix things. This was my favorite book when I was really little and I still think it is a adorable book. The moral that this book teaches children is a great one. But you will have to read it to find that out.

Mr Bell's Fixit Shop

By M. Mills

If anyone has a copy of this book for a price that I could actually afford I would really appreciate it - it's my mother's favorite children's book and she mentions it from time to time. I remember her reading it to me as a child but we moved a lot and it must have gotten lost somewhere along the way. Anyway, Mom has just been diagnosed with potentially terminal cancer, and I know the message of this story would bring a lot of joy to her heart. Please contact me at [mjmills@ksu.edu](mailto:mjmills@ksu.edu) if you can help. Much thanks.
