Review

"Award winning author Renee Rose delivers an original vampire romance and sexy spanking tale." - USA Today Bestselling author Lee Savino

"The author sets a fast pace from page one as we feel Sasha's fear. What's really great about the story: the interaction between Sasha and the vampire (Charlie); Sasha's reactions and comments seem genuine and I laughed out loud at one of her comments to her ex-boyfriend (potential spoiler, you'll have to read the story to find out); and of course, their sexual interactions are downright yummy." - The Romance Reviews

"When I found out that Charlie was a vampire, I thought that it would wreck the story. However, Ms. Rose wrote Charlie so well, that I ended up not minding that Charlie was a vampire at all. Toss in some passionate sex scenes and spicy spankings and His Captive Mortal turned out to be an outstanding book." --Spanking Romance Reviews

This is an AWESOME book!

By A.B.

I was skeptical when I first read the reviews for this book. It is a very fine line you have to walk when writing about topics like dubious consent, and making someone your love slave. But I am telling you, this author handled it beautifully! There is real emotion in each character, while the vampire can be a complete ass, I think it kind of makes him more endearing in the end. This story from start to finish is interesting, entertaining, hot, and will make you laugh. I enjoyed the characters introduction, the layout of setting and the entire process of breaking the curse was executed flawlessly. I am definitely a new ga of Renee Rose and if you read this book, you will be too!

A beautiful blond vampire needs help from a sweet fairy girl.

By Margaret

I loved this story. It has a beautiful blond male vampire and a sweet fairy girl. The characters are strongly written and brilliantly described. There is plenty of spankings and spicy sex. The scenes are well described and the feelings are real and true. Even though the story line is fanciful the feelings and emotions are alive.

One Sexy Vampire and One Hot Fairy Equals An Amazing Experience

By Marsha @ Keeper Bookshelf

His Captive Mortal is an amazing, hot sexual experience. The absolute dominance that Charlie has over Sasha is compelling, yet any dominance inclined couple will tell you that the true power lies within the submissive's hands... Sasha will learn that soon enough, and once she does she will open her heart to Charlie in ways he never imagined possible for him.

The basic story is given to you in the story description. I can tell you that the humor in Sasha's and Charlie's experiences falls upon you unexpectedly within this story, and without meaning to... you'll laugh or chuckle. At first Sasha truly doesn't understand why Charlie's punishments turn her on, and she will fight to ignore the sexual enjoyment she is beginning to experience. Slowly Sasha and the reader will come to understand how Charlie captivates and what drives him to the extremes that he sets for Sasha and himself. As they work to find a cure for the curse, Sasha's magic will grow beyond what either believed possible. Life is changing for this little fairy... and for the sexy vampire as well.

While the sensuous, hotness of this novel was to be expected – I was also touched by the emotions that

slowly trickled through the story until the feelings between these two were almost as compelling as their sexual moments.

The content of *His Captive Mortal* is definitely erotica at a level that no reader under 18 should be reading – it is a story that draws the reader in and doesn't let go until the final page. There are degrees of erotica. This story involves a lot of spanking, punishments and dominance. I read this story knowing exactly what I was picking up, I hope that you understand that as well. This story proves that one sexy fairy and one hot vampire can manage to burn up the sheets, set flame to the floor and rock the house – and be ready for more.

*I received an e-ARC of *His Captive Mortal* from the publisher and NetGalley in exchange for an honest review. That does not change what I think of this novel.* Originally reviewed at Keeper Bookshelf (dot) com
