Best Sunday School Quarterly

By RONALD L BLACK

The little country church where I grew up has used this quarterly publication for decades to focus their Sunday school classes on good Bible study. I'm happy to see it's still as clear and insightful as always, taking segments of the King James Version and bringing out good study points to help the readers gain knowledge and a feel for the times involved. I wish more churches across the country used this to keep their congregations focused on God's love for each individual and how to feel it every day of your life, no matter what gets in your way.

very good bible study

By Amazon Customer

Very good bible study to follow and to learn from, gives you a detail study that does inspire in-depth reading, hopeful perspective...excellent....We have been using these resources for years in our church Sunday school, so glad they are now on kindle.
