So, it enables you review it everywhere you have desire to read Bette Davis: The Playboy Interview (Singles Classic) (50 Years Of The Playboy Interview) By Playboy

BETTE DAVIS: THE PLAYBOY INTERVIEW (SINGLES CLASSIC) (50 YEARS OF THE PLAYBOY INTERVIEW) BY PLAYBOY PDF

In mid-1962, Playboy founder Hugh Hefner was given a partial transcript of an interview with Miles Davis. It covered jazz, of course, but it also included Davis's ruminations on race, politics and culture. Fascinated, Hef sent the writer—future Pulitzer-Prize-winning author Alex Haley, an unknown at the time—back to glean even more opinion and insight from Davis. The resulting exchange, published in the September 1962 issue, became the first official Playboy Interview and kicked off a remarkable run of public inquisition that continues today—and that has featured just about every cultural titan of the last half century.

To celebrate the Interview's 50th anniversary, the editors of Playboy have culled 50 of its most (in)famous Interviews and will publish them over the course of 50 weekdays (from September 4, 2012 to November 12, 2012) via Amazon's Kindle Direct platform. Here is the interview with the actress Bette Davis from the July 1982 issue.

Great interview

By BarbaraD

The Playboy interviews were always (and may still be, haven't read one in a long time) a detailed, long interview. This one with Davis is interesting, honest and hilarious, and sounds just like her talking. But this interview was made before her crippling stroke, and the knowledge that her daughter had written a "Mommie Dearest" type book that destroyed their relationship. In this interview Davis says, "I doubt that any of my children will write a book." Sadly, she was dead wrong.

Surprising and forthright

By B. Pocker

Bette Davis was much more interesting than any of her biographers make her seem. I had seen her films forever but it was an old interview with Dick Cavett that made me seek out more information. She re-defines feminism into something less strident and peculiar than what it has evolved into. She really is quite inspiring as someone who was both creative as well as disciplined and normal. Not what we are used to thanks to celebrity journalism today.

Very good interview

By GrethelV

Miss Davis was very candid and honest in this interview. Her recollection of moments while filming, directors, actresses, and actors was amazing.

Without question her incredible roles and amazing acting abilities were outstanding. She was a true Yankee indeed and a diva in her own right.
