Review

"This is a terrific little book whose brevity belies its wisdom. What makes it so helpful is the sheer honesty with which McDonald writes. It's got such a light touch that disarms the defensiveness that inevitably arises when we start trying to be honest about ourselves."

-Richard Lints, Andrew Much Distinguished Professor of Theology, Gordon Conwell Theological Seminary

"Nicholas McDonald's Faker is a fast-paced and humorous exposure of how many of us live every dayfaking it. It will make you both uncomfortably honest and honestly comfortable as he takes you through the dangers of pretending and performing as well as the balm of gospel remedies. If you want to be challenged and encouraged in the freedom of living 'real,' take up and read!"

-Brian Cosby, author of Giving Up Gimmicks: Reclaiming Youth Ministry from an Entertainment Culture

"This is precisely the kind of book I would have loved to use with the small groups of high schoolers I used to lead. It would be perfect for college students. I strongly recommend this book to you as a reader and for use in ministry."

-Barnabas Piper, Author of The Pastor's Kid and Help My Unbelief

"We made Faker our camp book on CYFA venture I'm just back from leading. Took 30 copies and sold out! Almost half the camp are going home with the book. It's certainly touched a nerve, thanks!"

-Christian Camp Leader, UK

"This is a great book. I love the fact that Jesus sets us free from a constant life of pretending to be something we are not. And I love the fact that this book helps us see it more clearly."

-Jonty Allcock, Pastor, Speaker and Author of Lost, Hero and Fearless

Get This Book For Your Teen.
By David Qaoud
I was first introduced to Nicholas McDonald via Tim Challies. Not in person, of course, but online. Challies shared an article from Scribble Preach on pastoral debt -- a reoccurring problem for seminarians, apparently - on his blog. Curious, I stopped by his (McDonald's) site to give it a read. I left inspired by the article. Also with a free eBook.

After reading the piece, I downloaded "25 Mistakes I made Before Getting Published," a free eBook offered on Scribble Preach for email subscribers. After reading, my energy and adrenaline was soaring. I was so inspired that I couldn't fall asleep until 3:00am! I was sleepy in church the next morning.

Okay, on to the book – or I should say, the other book.

Honestly, this, Faker, is a book I wish someone would have handed me 10 years ago. All the Christian books I read in Jr. High and High School (both of them) were weak on theology. In hindsight, it was as if I was being talked down to, given a watered down-messaged. This book is not like that. McDonald takes a parable from Luke 18, and deconstructs wisely and winsomely showing that being a "Faker," like the Pharisee, is when we try to justify ourselves before men, when we try to be like someone we're not, when we pretend like we have it all together when we don't. And we've all done it.

One of my favorite parts about the book is McDonald's vulnerability. He shares a lot of his own mistakes and flaws. "I'm like that too. Glad I'm not the only one," I thought, as I read. The book is highly relatable. He never pretends as if he's got it all together, but points us to the One who does. Indeed, this books gets not only to your head, but also to your heart.

Another part I enjoyed was the use of theological terms in way a young person can understand. McDonald uses words like "propitiation" "justification" "holiness" and other theological words that Christians should know. You usually don't get these words explained so well and clearly in other books for teens. And I think this point is what separates it from others of its kind.

I can go on and on, but that wouldn't make sense, because this book is 72 pages long and I hate when people leave reviews longer than a dissertation on eschatology (I don't remember if "eschatology" made the book).

In the end, this is an excellent book for any teen. Buy it for your teen or a teen that you know. And then buy a few more copies and have your teens pass it out to their friends. You won't regret it.

Highly recommend this book if you have a pre-teen and/or teenager

By Joey Espinosa

Highly recommend this book if you have a pre-teen and/or teenager. (And it's a great reminder for parents, too.)

Only thing I don't like -- seems like a very short book for the cost. Should be worth about \$7 tops.

Relevant for Christ-followers of ALL Ages

By sjc

Although I am decades older than the intended audience of "Faker" its message and application are relevant for Christ-followers of all ages. Nicholas uses modern-day examples to explain Biblical truth. It is a good small group study for teens. In addition, those who parent teens will find this a good resource for reading and discussions with your teenaged children. Pastors, and others who minister to teens will also find it to be a good resource. I highly recommend this book. You may also want to check out iIcholas' blog.
