and this book is one of the best.

By PNW Girl

This book is dated, but the information is golden. I consult this book all the time for nutritional information to improve health - for myself, my family, and for friends. Really, I've read a lot of books on health and nutrition, and this book is one of the best.

If you don't have this book in your library and this wisdom in your soul, you are missing out...

By Roman

Everyone who really is a student of Lou Corona needs to have a copy of this book and read it. The wisdom found in this book is timeless as are the recipes. Ms. Elwood was and is a legend: this is her "Atlas Shrugged."
