First Borrowed Now Mine

By Laura Marcum

This is a book that I first borrowed from a friend. I have grown up as a Christian, but sometimes didn't have answers for some of the questions asked about my faith. These were questions that I knew the answer to myself, but didn't really know how to explain it to others. This book went into detail about all kinds of topics with supporting evidence about all the topics. It was a book I wanted to write in and make notes, however, I couldn't because it was borrowed. Now I own a copy to be able to write in and use as a reference. My husband is a youth minister and the topics in the book I believe will help our youth grow in their Christian walk and to help them become more confident in understanding the big question of "Why".

Topics include why I believe in: the Bible, God, creation, heaven, hell, moral absolutes, virgin birth, Christ, reserrection, Christianity, second birth, Holy Spirity, and the return of Christ.
