Fantastic book

By Andrew'sMom

For someone who isn't privy to her first book, this book is fantastic. For someone who has eaten the Tate's chocolate chip cookie - this recipe in the book tastes exactly the same - although with my oven I have to cook the cookies about 13 1/2 minutes to obtain the "crispy" cookie like the Tate cookie. I followed her instructions to the letter, didn't overmix, used my Silpat - and they are amazing. I had only one small cookie because I'm low carbing - but this morning - there are only a few left - meaning my husband and son ate them up! Great book - highly recommend.

Easy & Beyond Tasty

By Paula Sartorius

Tate's Bakeshop is one of my favorites, so I was happy to get this book as a gift. I've tried a few recipes and all have been easy and beyond tasty. The chocolate cupcakes with peanut butter frosting are one of the best desserts I've ever had. Carrot cake and the signature chocolate chip cookies are first rate.
