Easily Write Copy That Converts Better – FAST

THE BACK BUTTON. Nothing hurts sellers more than buyer inaction. Your goal is a 100% conversion rate. Odds are you are nowhere close. You are leaving money on the table and sacrificing your rankings. Let me explain.

Amazon wants sales. They reward sellers that convert. Every visitor that does not buy your product hurts your rankings. They make Amazon less likely to show your product in searches because you are not making them money. It is a numbers game. The more you sell, the more Amazon makes. That is not all though.

Strong Copy Saves You Money

You are throwing money down the drain. Spending on ads without converting customers costs your business. You could be more efficient. How much is your conversion rate costing you?

But what if your ACOS is okay, below 50%? You are in the clear right? Wrong. Consider this – increasing your conversion rate increases your sales without increasing ad spend. You can bid more, sell more and rank higher, all without spending a cent more on advertising. But –

Isn't My Listing Good Enough?

Sure. If you are happy with your business income and not interested in earning more money, this book is not for you. If however you are serious about FBA and want exponential growth, you NEED better conversion rates. Here is why.

An Extra \$1000 a Month

That is just a 2% boost in conversions for a \$50k seller. That is twelve grand a year, probably much more if you reinvest it. What would that mean for your business? And that is just 2%. Most listings can see jumps of 5-10% just implementing a handful of the techniques in the book. That is a lot more than 1k a month.

It Is Not All About Conversions Though

We cover a lot more as well. From advanced SEO tactics and keyword research for more traffic and sales to off-Amazon copy and advertising strategies to expand, there is ton of value. Most applies to ecommerce growth, email marketing and more as well. And according to the DMA, the leading data driven marketing

organization's (Direct Marketing Association) survey, email marketing is the most profitable channel for businesses with ROIs up to 4300%. Plus all this makes customers more loyal to your brand. But wait a sec, what if you are not a good writer?

You Don't Need to Be Good at Writing

English class was my BIGGEST weakness. I was not a good writer. I am a good copywriter. I have learned the system. Sales copy is not hard. It is a formula for manipulating desires. It is a formula ANYONE can do. And I will teach you – the psychology, the strategy, the tactics. We go step-by-step through my easy to follow, easy to replicate sales formula. And it works.

Here Is How It Works

It is a step-by-step process. We find important keywords, we research customer wants and then we write. First, a tested headline formula designed to sell well and rank better. Then bullet point strategies and writing styles proven to convert. We make a sales letter for your product and optimize the description. We cover all the bases on increasing conversion rates. Each chapter boosts your conversions. Each helps you rank higher. Everything is important and together it takes average and above average Amazon listings to the next level. Plus it is streamlined to save you time, and therefore money. Could your business use more money?

Why Write a Copywriting Book ONLY for Amazon?

I write copy. I sell on Amazon. Clients and sellers wanted a short, straightforward strategy to increase conversions, sales and rankings. This book shows you how. It is my proven, easy to follow process on writing effective sales copy. And I love copywriting. Helping sellers sell more and succeed is a passion, hence the podcast.

But my time is limited. And most cannot afford \$700 for me to write their listing. This book is your easy follow, high converting Amazon copywriting guide. Enjoy!

By Amazon Customer

Anyone who sells on Amazon quickly learns the importance of their Product Listing. It can spell the difference between success and failure. Sadly, many people suck at copywriting - despite their best intentions. This book has GREAT info to help you improve your Product Listing - and get more sales consistently - and what Amazon seller wouldn't want to do that?! Just a few extra sales will more than pay for this book. Get this book!

Now that's Return On Investment

By Dominik G.

Unless you are already a successful salesman, the odds of you being good at copywriting are very much against you. Although I have quite some experience with sales and copywriting, this book propelled my listings to the next level. It gives you a distinctive edge over your competitors who will keep wondering why their Amazon business doesn't take off while having poor product listings. Don't read this book - study and implement its great contents right away and enjoy your conversion rates!
